0 of 0 review helpful I m not saying bad things did not happen By Hoss Here is what I mainly got in this course Take an overpriced college book take a brief synopsis of a past history not knowing the whole story say that your book is about race and ethnic groups and then do not talk about one race Whites while only mentioning Whites as the ones who did all this harm to other ethnic groups I m not saying bad thin Highly respected for its scholarship and straightforward approach Sociology The Core covers core sociological concepts with a brief and accessible presentation at an affordable price In the tenth edition Sociology once again comes alive as a vital and exciting field to

relate sociological principles to real world circumstances What Can Sociology Do For You sections introduce potential careers and provide educational recommendations for students that About the Author Michael Hughes is Professor of Sociology at Virginia Polytechnic Institute and State University Virginia Tech He received his Ph D in sociology from Vanderbilt University in 1979 and has taught introductory sociology over the past 34 years
