By Pamela Moro, James Myers : Magic, Witchcraft, and Religion: A Reader in the Anthropology of Religion
the traditional beliefs and practices of african people are highly diverse and include various ethnic religions generally these traditions are oral rather than free science vs religion papers essays and research papers Magic, Witchcraft, and Religion: A Reader in the Anthropology of Religion:

0 of 0 review helpful Three Stars By MPix Purchased it for my son who needed it for a college class he was taking 3
of 3 review helpful Articles are too long and don t catch the readers attention By Tina I had to read this book in

combination with another book about magic and witchcraft for my anthropology course This book was very disappointing as the articles in it This comparative reader takes an anthropological approach to the study of religious beliefs and practices both strange and familiar The engaging articles on all key issues related to the anthropology of religion grab the attention of students while giving them an excellent foundation in contemporary ideas and approaches in the field The multiple authors included in each chapter represent a range of interests geographic foci and ways of looking at each subject Divi
