By J. M. Roberts : The Penguin History of Europe seven headed monsters one eyed giants and blood born winged horses are all shocking representations of the ways in which the well known creatures of ancient greek legends of

vampires have existed for millennia; cultures such as the mesopotamians hebrews ancient greeks and romans had tales of demonic entities and blood The Penguin History of Europe:

0 of 0 review helpful Great By gdprice Pretty dense but worked really well for my history class 21 of 25 review helpful not for beginners By Janez A nice book on European history but I didn't like it as much as I liked his History of the World For one thing there is not much more on European history in this book than it was in the former Secondly his narrative is Comprehensive in its scope and brilliantly readable this is a superb follow up to the author's bestselling Penguin History of the World Beginning with prehistory and the early civilizations of the Aegean The Penguin History of Europe traces the development of European identity in its many guises through the age of Christendom the Middle Ages early Modern history and the old European order About the Author J M ROBERTS was a Fellow and Tutor of Oxford University now retired His numerous publications include Europe 1880 1945 and The Paris Commune from the Right In 1985 BBC2 transmitted the series The Triumph of the West which he wrote and pre
