0 of 0 review helpful Love this text book By undeadmortal Love this text book No glossary no pics just articles from real anthropologists Few of question at the end of each on great for discussions 0 of 0 review helpful Love it By Holly D Using this instead of the new edition My teacher recommended it over the new book Working out perfectly fine and I saved B This edition organizes its topics into ten sections for an overview of the entire focus of anthropology including the traditional and recent approaches to anthropological study The topics span the sub fields of anthropology

fieldwork subsistence and economics family marriage and kinship gender politics religion symbolic expression globalization and the use of anthropology in solving human problems
