Anthropology: A Global Perspective -- Access Card (9th Edition):

1 of 1 review helpful stay away By OD I used this in my class and it was a complete and utter disaster It lacks even the most elemental functionality and it has so many bugs and glitches that it was unusable Grades kept disappearing or being mixed up there was continuous downtime the answers on the quizzes were often wrong and their technical support kept referring students back to the instructor A total nightmare REVEL trade for Cultural Anthropology A Global Perspective Ninth Edition acquaints students with the cultural discipline of anthropological studies The text recognizes that in the nature of our 21st century world humans need a much greater capacity for understanding different cultures than ever before By examining classical and current research the text brings students closer to the theories data and critical thinking skills needed to understand global hu About the Author Raymond Scupin is Professor of Anthropology and International Studies at Lindenwood University He is currently the Director at the Center for International and Global Studies at Lindenwood He received his B A de
