0 of 1 review helpful Sugar s life in the hood By REDROSE SUGAR LIFE IN THE HOOD is a great book to read I

really in joyed it It arrived before time in great shape All her life Sugar Turner has had to hustle to survive An African American woman living in the inner city she has been a single mother juggling welfare checks food stamps boyfriends and husbands illegal jobs and home businesses to make ends meet for herself and her five children Her life s path has also wandered through the wilderness of crack addiction and prostitution but her strong faith in God and her willingness to work hard for a better life pulled her The phrase welfare mother appears regularly in newspaper articles and is heard frequently on television news programs This book provides a much needed context for that all too common expression Inspirational is a much overused term but it applies her
