By Michael Taussig : Shamanism, Colonialism, and the Wild Man: A Study in Terror and Healing ayahuasca is

known by many names throughout northern south america and brazil ayahuasca is the hispanicized style spelling of a word in in this article i propose that genderinequality promotes directly or indirectly vulnerability to hiv as a consequence of amultidimensional violence structural Shamanism, Colonialism, and the Wild Man: A Study in Terror and Healing:

11 of 13 review helpful Profound and resonant By Jennifer F Armstrong Generally expressions of shamanism are associated with the lower classes of society who may be subject to great systematic oppression This reality is exemplified in Michael Taussig s description of the colonization and slavery the Colombians Taussig speaks of wildness as a death space of signification which implies that rather than express Working with the image of the Indian shaman as Wild Man Taussig reveals not the magic of the shaman but that of the politicizing fictions creating the effect of the real This extraordinary book will encourage ever more critical and creative explorations mdash Fernando Coronil I American Journal of Sociology I Taussig has brought a formidable collection of data from arcane literary journalistic and biographical sources to bear on From the Back Cover Both terror and shamanism thrive on the subversion of order and meaning The shaman like a dadaist painter or poet uses the technique of montage to disrupt conventional meaning About the Author
