By Talal Asad : On Suicide Bombing (The Wellek Library Lectures) On Suicide Bombing (The Wellek Library

Lectures):

0 of 1 review helpful An important conversation By A Teleb Well written thought provoking incisive It shakes up much of what s taken for granted in liberal thought and in public discourse on the war on terror The first chapter is both a critique of liberal theories of war in general and a deflation of Walzer s facile notion of just war in particular The second chapter debunks several common Islamophobic Like many people in America and around the world Talal Asad experienced the events of September 11 2001 largely through the media and the emotional response of others For many non Muslims the suicide bomber quickly became the icon of an Islamic culture of death mdash a conceptual leap that struck Asad as problematic Is there a religiously motivated terrorism If so how does it differ from other cruelties What makes its motivation religious Where does it Provocative Jonathan Shainin Bookforum Asad s book is valuable because the legal distinctions he is challenging are especially vulnerable now Samantha Power The New York Times Book About the Author
