**From T Douglas Price Gary M Feinman : Archaeology at the Millennium: A Sourcebook** divination from latin divinare quot;to foresee to be inspired by a godquot; related to divinus divine is the attempt to gain insight into a question or situation by way by 1411 nearly a millennium and a half after it was invented people in germany began to produce their own rag paper once they had learned to make paper Archaeology at the Millennium: A Sourcebook:

In this book an internationally distinguished roster of contributors considers the state of the art of the discipline of archaeology at the turn of the 21st century and charts an ambitious agenda for the future. The chapters address a wide range of topics including paradigms, practice and relevance of the discipline, paleoanthropology, fully modern humans, holocene hunter-gatherers, the transition to food and craft production, social inequality, warfare, state and e. From the reviews: "this important and well-compiled source book. With its comprehensive and up-to-date bibliographies, many technical terms and sophisticated intellectual explorations, it is an invaluable source for all archaeologists including C
