2 of 2 review helpful They use a pretty tiny font to cram in more words per page By PaleolithNick Solid content but wow there s a lot of it Don t be fooled either as long as it looks it s even longer They use a pretty tiny font to cram in more words per page than is reasonable I used this with a student in an independent study and she liked the book

learned from but found it occasionally exhausting to push The most authoritative and up to date archaeology textbook revised and updated and now in full color Since its first edition Renfrew and Bahn rsquo s Archaeology Theories Methods and Practice has been the leading academic source on what archaeologists do and how they do it This indispensable resource is a comprehensive introduction to archaeology rsquo s theories methods and practices in the field the laboratory and the librar About the Author Colin Renfrew is Disney Professor Emeritus of Archaeology and former Director of the nbsp McDonald Institute for Archaeological Research at the University of Cambridge He is the nbsp author and editor of many books including Before Civilizatio
