1 of 1 review helpful Excellent Overview By A Graduate Student This is a fantastic general overview of Mesoamerican archaeology accurate comprehensive I mean REALLY comprehensive clearly written and brimming

with illustrations I used this book to study for my comprehensive exams in archaeology I highly recommend it for that purpose or as a guide to some of the regions that all too often get left out of g The definitive textbook on the archaeology and history of Mesoamerica This essential textbook brings to life the cultures of Mexico and Central America in the centuries leading up to and including the Spanish conquest The first edition won the Society for American Archaeology book award in 2005 and it has become a mainstay in courses throughout the United States and Canada The third edition includes new box features thoroughly revised referenc A must buy for all those interested in the pre Columbian world s most dynamic and complex societies from the ancient Olmec until the Spanish Conquest About the Author Susan Toby Evans is Professor of Anthropology at Pe
