By Jean Manco : Ancestral Journeys: The Peopling of Europe from the First Venturers to the Vikings (Revised and Updated Edition) Ancestral Journeys: The Peopling of Europe from the First Venturers to the Vikings (Revised and Updated Edition):

23 of 25 review helpful Terrific book By NiniBean This book really pulls together the movements of the various peoples throughout the history of Europe going all the way back to the Neolithic up to historical times First time I have read something so comprehensive that cites evidence from archaeology DNA language developments political and cultural groups and the names of tribes from historical sources Also makes ldquo An ambitious and lucid full narrative account of the peopling of Europe this will undoubtedly provide a base line for future debates on the origins of the Europeans rdquo J P Mallory author of In Search of the Indo Europeans and The Origins of the Irish Who are the Europeans Where did they come from New research in the fields of archaeology and linguistics a revolution in the study of genetics and cutting An interesting account of the peopling of Europe that attempts to integrate archaeology history and linguistics with the latest genetic evidence Recommended mdash Choice The armchair route to uncovering the mysteries of who we really are mdash
