2 of 2 review helpful They use a pretty tiny font to cram in more words per page By PaleolithNick Solid content but wow there s a lot of it Don t be fooled either as long as it looks it s even longer They use a pretty tiny font to cram in more words per page than is reasonable I used this with a student in an independent study and she liked the book

learned from but found it occasionally exhausting to push The best selling archaeology textbook in the world revised and updated and now in its seventh edition Since its first edition Renfrew and Bahn's Archaeology Theories Methods and Practice has been the leading academic source on what archaeologists do and how they do it This indispensable book is a comprehensive introduction to archaeology in the field the laboratory and the library Archaeology is organized around About the Author Colin Renfrew is Disney Professor Emeritus of Archaeology and former Director of the McDonald Institute for Archaeological Research at the University of Cambridge He is the author and editor of many books including Before Civilization
