0 of 0 review helpful Beautiful book By Charles Patey Beautiful book with stunning old black and white photographs Such a privilege to be able to own and enjoy such a beautifully and carefully presented document of the tribes of Tierra del Fuego 0 of 0 review helpful Five Stars By Redondo Beach Great book great photos Very informational 0 of 0 review helpful A striking photographic testimonial to the people of Tierra del Fuego a society defined by magic spirits and communion with nature A German missionary sent to Tierra del Fuego in 1919 by his congregation Martin

Gusinde was a major Americanist and ethnographer from the first half of the twentieth century. While his mission was ostensibly to convert the native peoples among whom he lived, Gusinde did just the opposite, eventually becoming one of them. What we see is the human body transformed, redesigned into representations of spirits. Design Observer. A very important work, not to be missed. The book features a selection of 1,200 images.
