Nothing About Us Without Us: Disability Oppression and Empowerment:

1 of 1 review helpful Nothing About Us Without Us Disability Oppression and Empowerment By Eileen G Curras The book Nothing About Us Without Us Disability Oppression and Empowerment written by James I Charlton is profound It really gives an insight to the history psychosocial history of disabilities all around the world It is a profound book very deep and at times difficult for sensitive people like me b James Charlton has produced a ringing indictment of disability oppression which he says is rooted in degradation dependency and powerlessness and is experienced in some form by five hundred million persons throughout the world who have physical sensory cognitive or developmental disabilities Nothing About Us Without Us is the first book in the literature on disability to provide a theoretical overview of disability oppression that shows its similarit From Library Journal Charlton executive vice president of Chicago s Access Living one of the largest centers for independent living in the United States has lectured extensively on the disability rights movement Here he analyzes the many factors including p
