someone who likes to learn more about other cultures 0 of 0 review helpful A great price for my daughter s college
class By d ingram Thanks for getting it to us quickly A great price for my daughter s college class 1 of 1 review
helpful Culture and Conduct is a problem oriented introduction to the concepts and issues of cultural anthropology
Unlike a descriptive textbook it does not cover all the topics in the field rather it provides glimpses into the world
beyond ones own culture and challenges the reader to explore and interpret different ideas Culture and Conduct is

written in an engaging style that is easy to follow It can be read quickly or pondered over at length
