## Anatomy of Disgust:

3 of 3 review helpful Brilliant Analysis of Disgust By Cebes Law professor William Miller gives us an absorbing fascinating treatment of the neglected topic of disgust Though a law professor Miller is extraordinarily widely read and draws on an extensive knowledge of literature psychology history biology and philosophy he even has a footnote referring to an extremely disgusting scene in the obscure cult movie Pink William Miller embarks on an alluring journey into the world of disgust showing how it brings order and meaning to our lives even as it horrifies and revolts us Our notion of the self intimately dependent as it is on our response to the excretions and secretions of our bodies depends on it Cultural identities have frequent recourse to its boundary policing powers Love depends on overcoming it while the pleasure of sex comes in large measure from the titillating com The title of William Ian Miller s book is a play on Robert Burton s 17th century classic The Anatomy of Melancholy an examination of human emotion In his modern Anatomy Miller narrows the focus to the function of disgust in human life Di
