englewood cliffs nj prentice hall ackerman r e muller beck h vasilievsky r and yi s The Anthropology of Media: A Reader (Blackwell Readers in Anthropology, No. 2):

1 of 1 review helpful Solid and useful if a little dense at times By C Collins I purchased this book for a media anthropology class a couple of years ago and am happy to say that I still own it today It s the single most comprehensive guide to media anthropology that I ve come across There are others out there but few that are as comprehensive and interesting as this one It features many prominent articles and reading The Anthropology of Media A Reader Brings together key writings in the emergent field of the anthropology of media for the first time Integrates key themes in the anthropology of media by means of editorial commentary Explores the theoretical issues that have arisen from ethnographic studies of media offers a critical overview of how mass media represents and constructs both Western and non Western In its bold presentation of an emergent subfield ndash anthropology of media ndash this comprehensive collection is a timely resource for students and others interested in cross cultural research on mass communication Destined to become a standard text
