**By Thomas W. Neumann, Robert M. Sanford : Practicing Archaeology: An Introduction to Cultural Resources Archaeology** introduction and definition finding a suitable term to describe people who do archaeology without being paid a salary who do it mostly as a leisure pursuit is not also included the venerable bedes historia ecclesiastica gentis anglorumquot; genealogies regnal and episcopal lists some northern annals and some sets of earlier west Practicing Archaeology: An Introduction to Cultural Resources Archaeology:

2 of 6 review helpful Zzzzzzz By Spike McGee This is an extremely dull at times poorly written text The authors sound almost bored with their own subject matter through most of it Rather than encouraging me to further explore the field of CRM archaeology this text has me thinking twice as to whether it s something I really want to get involved in Funny thing is the class I use this book for uses another text This comprehensive reference book addresses the questions and problems of cultural resource archaeology for graduate students and practicing archaeological field workers Neumann and Sanford use their decades of field experience to discuss in great detail the complex processes involved in conducting a CRM project Dealing with everything from law to logistics archival research to zoological analysis project proposals to report production they provide an invaluable sou Reading Neumann and Sanford s prose is akin to being in the field or lab with a trusted and knowledgeable mentor who has copious stories to share that are imbued with layer after layer of useful inside information In short
