**By Richard L. Thompson, Michael A. Cremo : The Hidden History of the Human Race (The Condensed Edition of Forbidden Archeology)** aug 06 2010nbsp;over the last two centuries various archeological finds have been unearthed which do not fit into the conventional time scale of pre history; these so the unexplained evidence suggests complex life forms may have existed on earth billions of years ago The Hidden History of the Human Race (The Condensed Edition of Forbidden Archeology):

2 of 2 review helpful somewhat out there By CeDe It is a good compilation of multiple finds I am not so sure how accurate the ideas extrapolated by this author are for the inquiring mindcan think outside the box w the best of them BUT some of this presentation is so far out I just rolled my eyes I do like the fact that all of the information out there is condensed into this book format This book will raise mor Hidden History is a detective novel as much as a scholarly tour de force But the murder is not the butler Neither is the victim a rich old man with many heirs The victim is man himself and the role of the assassin is played by numerous scientists Dr Michael Rothstein Politiken Newspaper Denmark From the Publisher A teeth rattling new hypothesis which actually carries modern human existence back millions of years About the Author Michael A Cremo is a research associate of the Bhaktivedanta Institute specializi
