By Shahram Khosravi : Young and Defiant in Tehran (Contemporary Ethnography) 1 i celebrate myself and sing myself and what i assume you shall assume for every atom belonging to me as good belongs to you i loafe and invite my soul bibme free bibliography and citation maker mla apa chicago harvard Young and Defiant in Tehran (Contemporary Ethnography):

0 of 0 review helpful An Important Study of Modern Iranian Society By Michael Wright Author I was researching Tehran society for my spy thriller Kill the Asp and found this book an essential reference Khosravi discusses generational tensions between those who struggled during the 1979 revolution those who fought in the 80s war with Iraq and the youth of today He writes about the omnipresent sometimes relevant With more than half its population under twenty years old Iran is one of the world's most youthful nations The Iranian state characterizes its youth population in two ways as a homogeneous mass an army of twenty millions devoted to the Revolution and as alienated inauthentic Westernized consumers who constitute a threat to the society Much of the focus of the Islamic regime has been on ways to protect Iranian young people from moral hazards and to prevent them A lively and rich text for anybody interested in youth culture urban and popular cultures cultural politics Muslim cultures and Middle East studies Shahram Khosravi defies popular images of dull Iranian culture and introduces vibrant features of Tehran
