we would like to show you a description here but the site wont allow us anthropology offers the opportunity to study human existence in the present and the past and to explore how and why humans vary in their behaviors cultures and biology Migrant Youth, Transnational Families, and the State: Care and Contested Interests (Pennsylvania Studies in Human Rights):

Each year more than half a million migrant children journey from countries around the globe and enter the United States with no lawful immigration status many of them have no parent or legal guardian to provide care and custody Yet little is known about their experiences in a nation that may simultaneously shelter children while initiating proceedings to deport them nor about their safety or well being if repatriated Migrant Youth Transnational Families and
