13 of 13 review helpful Excellent introduction to Girard s work By Aquinas Reading Girard s theory on mimetic contagion and scapegoating and its application to the Old and New Testament is a revelation Girard sees the revelation of God in the Old and New Testament as not just another myth but rather the process by which God unfolds what has been going on in Human Culture since time began For Girard all human cultures ar In one volume an anthology of seminal work of one of the twentieth century s most original thinkers
