By Thomas More : More: Utopia (Cambridge Texts in the History of Political Thought) atlantis ancient greek
quot;island of atlasquot; is a fictional island mentioned within an allegory on the hubris of nations in platos john locke

political philosophy john locke 1632 1704 presents an intriguing figure in the history of political philosophy whose brilliance of exposition and More: Utopia (Cambridge Texts in the History of Political Thought):

0 of 0 review helpful A good updated edition of a classic By Antonio G Rodrigues A good edition of a classic I can recommend it A luxury bilingual edition might not be a bad idea The soft cover proved tough and even survived the unacceptable handling by This is a fully revised edition of one of the most successful volumes in the Cambridge Texts in the History of Political Thought series Incorporating extensive updates to the editorial apparatus including the introduction suggestions for further reading and footnotes this third edition of More s Utopia has been comprehensively re worked to take into account scholarship published since the second edition in 2002 The vivid and engaging translation of the work itself
