the middle ages A Brief History of Archaeology: Classical Times to the Twenty-First Century:

This short account of the discipline of archaeology tells of spectacular discoveries and the colorful lives of the archaeologists who made them as well as of changing theories and current debates in the field. Spanning over two thousand years of history, the book details early digs as well as covering the development of archaeology as a multidisciplinary science, the modernization of meticulous excavation methods during the twentieth century, and the important discoveries. About the Author: Brian M. Fagan is one of the world's leading archaeological writers and an internationally recognized authority on world prehistory. He is Emeritus Professor of Anthropology at the University of California, Santa Barbara. Nadia Durrani
