From imusti : Restless China the young and the restless characters 2000s jack begins to question what is really going on with nikki and victor after her odd request on the young and the restless Restless China:

5 of 5 review helpful Fascinating analysis of contemporary China By Connor Vaughn Restless China exposes many of the underlying sentiments that characterize life in contemporary China This series of media based studies provides an unparalleled source for comparison to issues in other post industrialized countries garnering immediate relevancy for international readers While captivating and well organized the This compelling book explores the explosive pace of change in China and how its citizens are grappling with a dramatically new world both in the public and private spheres China rsquo s stratospheric growth has made it the second largest economy in the world mdash and one of the most unequal Marxist ideology and socialist ideals have almost completely collapsed replaced by a combination of materialism and assertive nationalism The vast migration of The book rsquo s material culled from personal interviews Chinese language periodicals and websites and other sources is remarkably rich and wide ranging as is the expert analysis of its thirteen contributors Los Angeles o
