## Russian Records of Indigenous Spirituality:

This book takes you to the classical academy of shamanism Siberian tribal spirituality that gave birth to the expression shamanism For the first time in this volume Znamenski has rendered in readable English more than one hundred books and articles that describe all aspects of Siberian shamanism ideology ritual mythology spiritual pantheon and paraphernalia It will prove valuable to anthropologists historians of religion psychologists and practitioners From the reviews Znamenski set out to provide for readers of English a wealth of sources that will be utterly new even to most experts in the field He recognises the value of all of his chosen texts whatever their viewpoints and demonstrates it to oth
