Globalization: A Reader:

0 of 0 review helpful Great reader on Globalization By Gisli Rafn Olafsson I ordered this book and read it as part of a

course on globalization that I am taking in my International Development master s program It provides a great set of articles about the various aspects of globalization What I do like about it is that it tells the reader about globalization from the viewpoint of anthropology For someone like me that com Updated with a fresh introduction and brand new selections the second edition of The Anthropology of Globalization collects some of the decade rsquo s finest work on globalization focusing on the increasing interconnectedness of people around the world and the culturally specific ways in which these connections are mediated Provides a rich introduction to the subject Grounds the study of ldquo The Anthropology of Globalization 2nd Edition is a treasury of the vast store of new and exciting work being done on this theme It will be an invaluable text for classes on globalization in a range of disciplines including anthropology sociol
