From Brand: Canadian Scholars Press : Indigenous Experience: Global Perspectives indigenous peoples and indicators of well being australian perspectives on united nations global frameworks business as usual is not an option if we want to reduce hunger and poverty improve rural livelihoods and achieve environmentally socially and

economically Indigenous Experience: Global Perspectives:

The Indigenous Experience Global Perspectives is the first book of its kind In attempting to present the reader with some of the richness and heterogeneity of Indigenous colonial experiences the articles featured in this provocative new volume constitute a broad survey of Indigenous Peoples from around the globe Examples are drawn from the North American nations of Canada and the United States the Hispanic nations of Latin America Australia New Zealand Hawaii and To date there is no other focused text on racism especially in the context of Canada that takes on the established orthodoxy of the liberal multiculturalist agenda of assimilation cultural genocide of Indigenous peoples
GERALD TAIAlAKE ALFRED In
