**By Charles H. Kraft : Anthropology for Christian Witness** insights from anthropology for christian witness chapters one to fourteen with reflections on the irish culture matthew ropp mb520 idl anthropology this book is a thorough basic introduction to the study of anthropology for those who plan careers in mission or cross cultural ministry this new work of charles h Anthropology for Christian Witness:

0 of 0 review helpful A lot of the information is particular and can seem By Chris Browne A lot of the information is

particular and can seem redundant But overall is really just a week thought out work It s largely categorical in its format which is very helpful as far as referencing back to the material for major points and emphases 1 of 1 review helpful Review on Worldview for Christ This book serves as a thorough basic introduction to the study of anthropology that has been designed specifically for those who plan careers in mission or cross cultural ministry Kraft treats various theories of culture and society kinship and family structure cross cultural communication and assesses various anthropological schools From the Back Cover Anthropology for Christian Witness serves as a thorough basic introduction to the study of anthropology that has been designed specifically for those who plan careers in mission or cross cultural ministry The work of Charles H Kraft autho
