By Bruce P. Wheatley : The Sacred Monkeys of Bali bali hotels bali villas and bali news from balidiscovery balis no 1 source for island information wenara bali bungalows are located right next to the sacred monkey forest in ubud enjoy watching the monkeys play in the trees and garden from your patio The Sacred Monkeys of Bali:

The Sacred Monkeys of Bali is a unique well researched book about the long tailed macaques of Bali and how the Balinese integrate these sacred monkeys into their worldview Unique because it is the first time a primatologist has incorporated the human element into research this short volume clearly records precise analysis of long tailed macaque

behavior and then describes corresponding alterations in human behavior caused by the presence of the monkeys This ju
