By James P. Spradley, Brenda J. Mann : The Cocktail Waitress: Women's Work in a Man's World a hedge is an investment position intended to offset potential losses or gains that may be incurred by a companion investment in simple language a hedge is used to job interview questions and sample answers list tips guide and advice helps you

prepare job interviews and practice interview skills and techniques [The Cocktail Waitress: Women's Work in a Man's World](#):

3 of 3 review helpful [Women's Work in a Man's World](#) By Dr George Pollard Enduring story based on a thorough ethnography that ethics committees would never allow today Constantly in print since the mid 1970s [Cocktail Waitress](#) is interesting on it's own but especially useful in university courses where contact with the practices and processes of the quotidian world is as important as theories about such stuff 3 of A 1975 classic this highly readable in depth study examines a familiar female role in contemporary American society The authors apply fieldwork methods to the study of social behavior in a college bar as viewed from the perspective of cocktail waitresses They describe in detail the day to day lives of women and the meaning of work for women in a man's world Not a feminist tract their book provides a wealth of empirical data on the nature of being female in our cul From an academic and in particular a methodological perspective this ethnographic study of bar culture stands the test of time The way in which the authors masterfully use evidence to draw conclusions and the vivid descriptions of people places and events
