By Ellen Sue Turner, Thomas R. Hester, Richard L. McReynolds : Stone Artifacts of Texas Indians welcome to my flint knapping web site bob thompson arrowheads for sale knives stone tools and projectile points orcutt ca forecast lipan apache tindi the lipan or lipan apache were among the more important subgroups of apaches in texas they ranged the furthest eastward and had the most Stone Artifacts of Texas Indians:

1 of 1 review helpful The The Texas Artifact Bible By Bob McWilliams Written by the experts that named and did the professional studies on these ancient Texas artifacts Note the pictures are drawings not photos This is a good thing why Photos do not show all the flaking These drawings are precise drawings so you can see all the flaking Outlines can determine a point type but many times you need to know Useful for academic and recreational archaeologists alike

this book identifies and describes over 200 projectile points and stone tools used by prehistoric Native American Indians in Texas This third edition boasts twice as many illustrations mdash all drawn from actual specimens mdash and still includes charts geographic distribution maps and reliable age dating information The authors also demonstrate how factors such as environment locale and ty A key archaeological component in the study of antiquarian Native American cultures are the stone implements they ve left beyond especially arrowheads and spearheads The collaborative work of Ellen Sue Turner Thomas R Hester Harry J Sha
