116 of 123 review helpful CRITICAL NEW DISCOVERY By Robert Steven Thomas I rated this book FIVE STAR

for three important reasons 1 A major new breakthrough archeological discovery has been found that absolutely shatters the myth that is currently passed off as human history and being taught in our schools 2 Conventional archeologists and Establishment science are so terrified at the implications of this discovery that t Archeological proof of the advanced civilization on the southern tip of Africa that preceded Sumer and Egypt by 200 000 years bull Includes more than 250 original full color photographs of South Africa rsquo s circular stone ruins ancient roads prehistoric mines large pyramids and the first Sphinx bull Reveals how these 200 000 year old sites perfectly match Sumerian descriptions of the gold mining operations of the Anunnaki and the city of Enk lquo This book has more photographs than I have ever seen in any similar books about lost civilizations There were millions of mines energy circles agricultural terraces calendars and statues that were most certainly buried by flood silt from the great D
