Kennewick Man: Perspectives on the Ancient One (Archaeology & Indigenous Peoples):

28 of 49 review helpful A Bury all bones and stop the science epistle in 41 chapters By Rough Customer Kennewick Man Perspectives on the Ancient One is a book for those who cling to the repatriation movement even for 9 200 year old skeletons such as the Kennewick Man case Of the 41 chapters in the book I found only three which were pro science and leaned toward the idea of preserving early human remains for yet to b Kennewick Man known as the Ancient One to Native Americans has been the lightning rod for conflict between archaeologists and indigenous peoples in the United States A decade long legal case pitted scientists against Native American communities and highlighted the shortcomings of the Native American Graves and Repatriation Act NAGPRA designed to protect Native remains In this volume we hear from the many sides of this issue archaeologists tribal leaders and Much relevant scholarship on American Indians today is taking a new approach toward collaborative processes In the best scenario tribal voices are leading the discussion no longer treated by outside scholars as subjects of interest but as scholars the
