How does a group of people brought together because of their diverse skills and professional knowledge set out to be creative? How are ongoing tensions between beauty fame and money resolved? In [The Business of Creativity](#) Brian Moeran a leading scholar and writer on the creative industries takes the sacred relic of creativity out of the crypt and airs it in the ethnographic alley. In contrast to the persistent image of creativity as the spontaneous i Brian Moeran's deep detailed investigations of a sparkling variety of work situations lead him to an understanding of creativity solidly based on close observation of people at work that anchors this field so often mired in vague talk in the
