By David Graeber : The Utopia of Rules: On Technology, Stupidity and the Secret Joys of Bureaucracy science

is a human activity when we fail to distill and explain research we accumulate a kind of debt the man in question is bill burr a former manager at the national institute of standards and technology nist in 2003 burr drafted an eight page guide on how to *The Utopia of Rules: On Technology, Stupidity and the Secret Joys of Bureaucracy*:

2 of 2 review helpful I thought it was a very good synopsis on beauracracy we live with every day By Jason Kelley I thought it was a very good synopsis on beauracracy we live with every day private and public It gets you thinking on how democratic control and ownership might improve or eliminate much of the scourge However I think it is light on how beauracracy is something we will have to live with democratic or not a From the author of the international bestseller *Debt The First 5 000 Years* comes a revelatory account of the way bureaucracy rules our lives nbsp Where does the desire for endless rules regulations and bureaucracy come from How did we come to spend so much of our time filling out forms And is it really a cipher for state violence nbsp To answer these questions the anthropologist David Graeber mdash one of our most important and p ldquo A slim sprightly acerbic attack on capitalism s love affair with bureaucracy mdash Cory Doctorow BoingBoing ldquo *The Utopia of Rules* should offer a challenge to us all Should we just accept this bureaucracy as inevitable
