By Ashley Dawson : Extreme Cities: The Peril and Promise of Urban Life in the Age of Climate Change press headlines the quot;press headlinesquot; is a daily compilation providing a general overview of international media

coverage of climate change related issues that does latest environmental news features and updates pictures video and more Extreme Cities: The Peril and Promise of Urban Life in the Age of Climate Change:

A cutting exploration of how cities drive climate change while being on the frontlines of the coming climate crisis How will climate change affect our lives Where will its impacts be most deeply felt Are we doing enough to protect ourselves from the coming chaos In Extreme Cities Ashley Dawson argues that cities are ground zero for climate change contributing the lion's share of carbon to the atmosphere while also lying on the frontlines Extreme Cities is a ground breaking investigation of the vulnerability of our cities in an age of climate chaos We feel safe and protected in the middle of our great urban areas but as Sandy and Katrina made clear and as this fine book reveals anew
