**From Brand: Verso : Cultural Resistance Reader** cultural assimilation is the process by which a persons or groups culture come to resemble those of another group the term is used to refer to both individuals and concerning the oodham that policy being the eventual total assimilation of the oodham into the dominant civilized industrial system5

Cultural Resistance Reader:

5 of 5 review helpful Could be more useful By G Carter This is a very well curated collection but the lack of an index is frustrating The editor does a nice job of making some connections between the pieces in each section but could do more to summarize each piece and explain its importance in the literature Sadly I won't be using this for my undergraduates 6 of 7 review helpful A good From the Diggers seizing St George Hill in 1649 to Hacktivists staging virtual sit ins in the 21st century from the retributive fantasies of Robin Hoods to those of gangsta rappers culture has long been used as a political weapon This expansive and carefully crafted reader brings together many of the classic texts that help to define culture as a tool of resistance With illuminating introductions throughout it presents a range of theoretical and historical work About the Author Stephen Duncombe an Associate Professor at the Gallatin School of New York University is the author of Dream and Notes from Underground editor of the Cultural Resistance Reader and coeditor with Maxwell Tremblay
