From School for Advanced Research Press : Medieval Mississippians: The Cahokian World (A School for Advanced Research Popular Archaeology Book) Medieval Mississippians: The Cahokian World (A School for Advanced Research Popular Archaeology Book):

0 of 0 review helpful A must read By Tom Great book to get a good overview of the Cahokian world based on several different authors including Natives Read it as part of a class and it has been a great source for understanding this

culture which is still largely unknown to so many people in this country and beyond It includes lots of pictures as well as a list of further readings and is a great starting point for anyone i Medieval Mississippians the eighth volume in the award winning Popular Archaeology Series introduces a key historical period in pre Columbian eastern North America the Idquo Mississippian rdquo era via a series of colorful chapters on places practices and peoples written from Native American and non Native perspectives on the past The volume lays out the basic contours of the early centuries of this era AD 1000 ndash 1300 in the Mississippian hea About the Author Timothy R Pauketat is Associate Professor of Anthropology in the Department of Anthropology University of Illinois Urbana Champaign His publications include The Archaeology of Traditions 2001 Cahokia Domination and Ideology in the Missis
